### Work Experience

#### **Software Flare**

Front-End Web Developer

Sep - 2023 - Feb - 2024

One year of frontend development experience, adept at creating responsive and visually appealing user interfaces. Proficient in HTML, CSS, and JavaScript. Demonstrated expertise in leveraging various frameworks and tools to deliver high-quality, user-centric websites.

#### **Bright Ideas Communication**

Feb - 2024 - Present

Front-End Web Developer | | WordPress Developer | | Web Designer

I work at Bright Ideas where I have created many aesthetic surgery websites, Woo-Commerce sites, and landing pages using WordPress. I also do theme customization to match client needs. I enjoy building clean and user-friendly websites. With my skills, I always try to give the best results and improve my work every day.

### Technical Skills

- Frontend:** HTML5, CSS3, JavaScript, Bootstrap
- CMS:** WordPress
- Tools:** VS Code, Git, Elementor Pro, & more

### Projects

#### **Responsive Portfolio Website**

Developed a responsive aesthetic clinic website using HTML, CSS, and Bootstrap. The site features service sections, contact forms, and modern UI elements. Ensured mobile-friendly design and clean layout for better user experience and visual appeal.
